

Primary Care Directory (PCD) Enrolment Guide For Pharmacists

Before You Start PCD Enrolment: Notes to Pharmacists

Notes:

The enrolment process takes about 10 minutes to complete. You may save your progress as a draft if needed.

Before starting, please ensure that:

- You have **created** a valid healthcare professional (**HCPProf**) **account**[#] under the Electronic Health System (eHealth).
- You are **using an eHealth-accessible workstation** to access the eHealth system, i.e. a computer connected to eHealth system with fixed IP address, or Encapsulated Linkage Security Application (ELSA) or eHealth Secure (eSC).
- **All the practice location(s)**, including the Healthcare Providers (HCPs) (i.e. person / organisation registered in eHealth) and Healthcare Service Locations (HSLs) (i.e. address of practice location), **must be registered in eHealth* for PCD enrolment.**

[#]Should you wish to join PCD, please enrol via eHealth online platform ([link](https://hcpss.portal.ehealth.gov.hk/) - <https://hcpss.portal.ehealth.gov.hk/>), or log in to eHealth system.

*You may search the eHealth status of the respective HCP(s) and HSL(s) via the [eHealth website](#). If your HCP(s) and HSL(s) are not yet registered in eHealth, or you have not yet created the Healthcare Professional (HCPProf) account(s), please [click here](#) for more information.

1. Any information, including personal data provided by an Applicant in or in connection with his/her Enrolment Application (i.e. the application for enrolment in the Directory as an Enrolled Healthcare Service Provider), as well as information provided from time to time in relation to the Directory will be used by the Health Bureau, and its officers and agents, for one or more of the following purposes:
- (a) processing the Enrolment Application, which includes vetting information, assessing the eligibility for enrolment in the Directory, and conducting verification procedures with other Government bureaux/departments, organisations and bodies;
 - (b) the administration and monitoring of the Directory, including updating records and conducting periodical verification of enrolled healthcare service providers' information;
 - (c) disclosing, publishing, and making available to the public and healthcare service providers the personal data and information of enrolled healthcare service providers in the Directory, including practice information, professional qualifications, and participation in Government-subsidised Primary Healthcare Programmes or initiatives;
 - (d) promoting the availability and use of the Directory to the public and healthcare service providers;
 - (e) preparing reports, conducting statistical analysis, surveys, evaluation and research;
 - (f) handling complaints or enquiries arising from or in relation to the Enrolment Application, the Directory and enrolled healthcare service providers;
 - (g) other purposes directly related to any of the above stated purposes; and
 - (h) any other legitimate purposes as may be required, authorized or permitted by law.
2. The provision of information including the personal data is voluntary. If an Applicant does not provide sufficient information as stipulated in the Enrolment Application form, the Government may not be able to consider his/her eligibility for enrolment in the Directory and may not be able to process his/her Enrolment Application.

Classes of Transferees

3. The information including the personal data provided by the Applicant may be transferred to and disclosed to (i) other Government bureaux/departments (including Department of Health); (ii) other organisations and bodies, including professional regulatory boards and councils, the CME, CPD or CPE programme administrators, eHealth Registration Office and the HA; and (iii) contractors or service providers engaged by the Health Bureau; for the purposes stated in paragraph 1 above.

Access to Personal Data and Enquiries

4. An Applicant has the right to request access to or correction of the personal data held by the Health Bureau under the Personal Data (Privacy) Ordinance (Cap. 486). Such requests and enquiries concerning the personal data held by the Health Bureau should be addressed to:
